Recommendation	_____
Decision	_____

INTERBASIN TRANSFER ACT - Request for Determination of Applicability

SUMMARY SHEET

A. Project Identification

Project Name _____

Location _____

Project Proponent _____ Phone _____

Address _____

Submitted by _____ Phone _____

Address _____

B. Describe the Proposed Project

C.

Does the proposed action consist of any of the following:

- | | |
|--|------------------|
| (1) Replacement of pumps or pipes of similar conveyance capacity | Yes_____ No_____ |
| (2) Restoration of reservoirs to original storage capacity | Yes_____ No_____ |
| (3) Renovation of existing wells or testing of new well sites | Yes_____ No_____ |
| (4) Installation of new or enlarged mains within the water supply distribution system that do not increase the hydraulic capacity to transfer water out of a donor basin | Yes_____ No_____ |
| (5) Replacement of existing wastewater conveyance facilities that do not exceed the operational capacity (including surcharge capacity) existing prior to March 8, 1984 | Yes_____ No_____ |
| (6) Transfer of water/wastewater within the boundaries of a city or town or between two municipalities that have area in the same river basin | Yes_____ No_____ |
| (7) Emergency connection | Yes_____ No_____ |

Explanation:

D. Has this project been filed under the Massachusetts Environmental Protection Act (MEPA)?

Yes _____ No _____

If Yes, EOE No. _____ EOE Action and Date _____

E. List the local, State or Federal agencies/commissions from which permits have been obtained or will be sought:

Agency Name

Type of Permit

Project Number

F. Describe the approximate timetable for the proposed action. Include the estimated commencement date and the estimated completion date.

G. Describe precisely the name and the exact location of the source(s) of the proposed transfer of water/wastewater:

H. List the communities, sections of communities, water districts, or other areas that will use the water proposed to be transferred.

I. Describe precisely the location of the wastewater discharge point.

J. Include a map that illustrates the information requested in sections G, H, and I.

- K. State below the volume increase in the Interbasin Transfer of water/wastewater that will result from the proposed action:**
- (1) In millions of gallons per day (mgd) on an annualized basis:
 (2) In terms of maximum daily transfer:
- L. Describe the operating schedule of the proposed transfer of water/wastewater.**
- M. Describe the purpose for which the water/wastewater is to be transferred.**
- N. If the proposed transfer of water has been approved under MGL, Chapter 21G, Section 15, or authorized by law to provide a necessary and adequate water supply, submit a copy of the DEP emergency declaration approval and describe how the approval conditions are being implemented.**
- O. Provide any additional information that would be useful to the Commission in reviewing your request.**

----- Date	----- Signature of Responsible Officer
	----- Name (print or type)
----- Date	----- Signature of Person Preparing Request (if different than above)
	----- Name (print or type)
